What's Your Gemstone?

When it comes to jewelry, everyone has their own sparkly style. Take this quiz to find out what gemstone suits you the best!

1. What describes your jewelry style?

- A.) Bold and funky—the more colorful, the better!
- B.) Flashy and colorful—if you've got it, flaunt it!
- C.) Natural—you prefer simple styles in earth tones.
- D.) Delicate and classic—simple earrings or a jeweled brooch are some of your favorite things to wear.

2. What type of person do you consider yourself?

- A.) Animated and passionate—every day is an adventure for you!
- B.) Glamorous—whatever you do, you do it with pizzazz!
- C.) Relaxed and carefree—you don't let little things get you down!
- D.) Honest and sincere—everyone knows they can always count on you.

3. If you could drive any kind of car (when you get your license, of course!), you would pick:

- A.) A blue convertible
- B.) A bright red sports car
- C.) Who needs a car? You'd rather ride your bike!
- D.) A black limo

4. Your favorite hobby is:

- A.) Making anything artistic—whether it's sculpting pottery, painting, or making a collage, the more creative the better!
- B.) Shopping, of course!
- C.) Going on a picnic with friends or walking your dog.
- D.) Reading a great book.

What's your jewelry style? Tally up your answers to see which letter you picked the most. Then look at the categories below to find out which you fit into! (You might find that you fit into more than one category!)

Mostly *A*'s

Funky is the word that best describes your style! Your jewelry preferences are bright, bold, and original—just like you are! The gemstone that best matches your personality is a blue sapphire, a shimmering gem that sparkles just as much as you do!

Mostly *C*'s

Natural is the word that fits you to a "T"! Your jewelry preferences are made of simple materials found in the great outdoors, like bamboo and wood. The gemstone that best suits your personality is an amber-colored topaz, a jewel that best represents your calm, grounded nature!

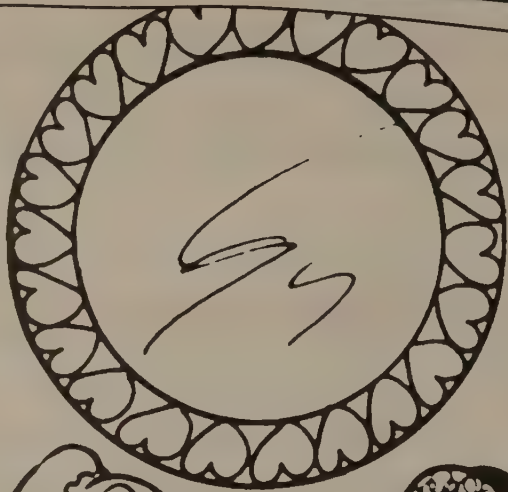

Mostly *B*'s

Glamour is your middle name! You prefer gems that are super sparkly, attention-getting and always in style! The gem that best reflects your personality is a diamond, a girl's best friend!

Mostly *D*'s

Classic is the word that best describes you! You prefer having a few simple pieces of jewelry rather than a jewelry box full of nonsense. The gemstone that best represents you is the pearl, which symbolizes your understated, yet elegant, tastes!

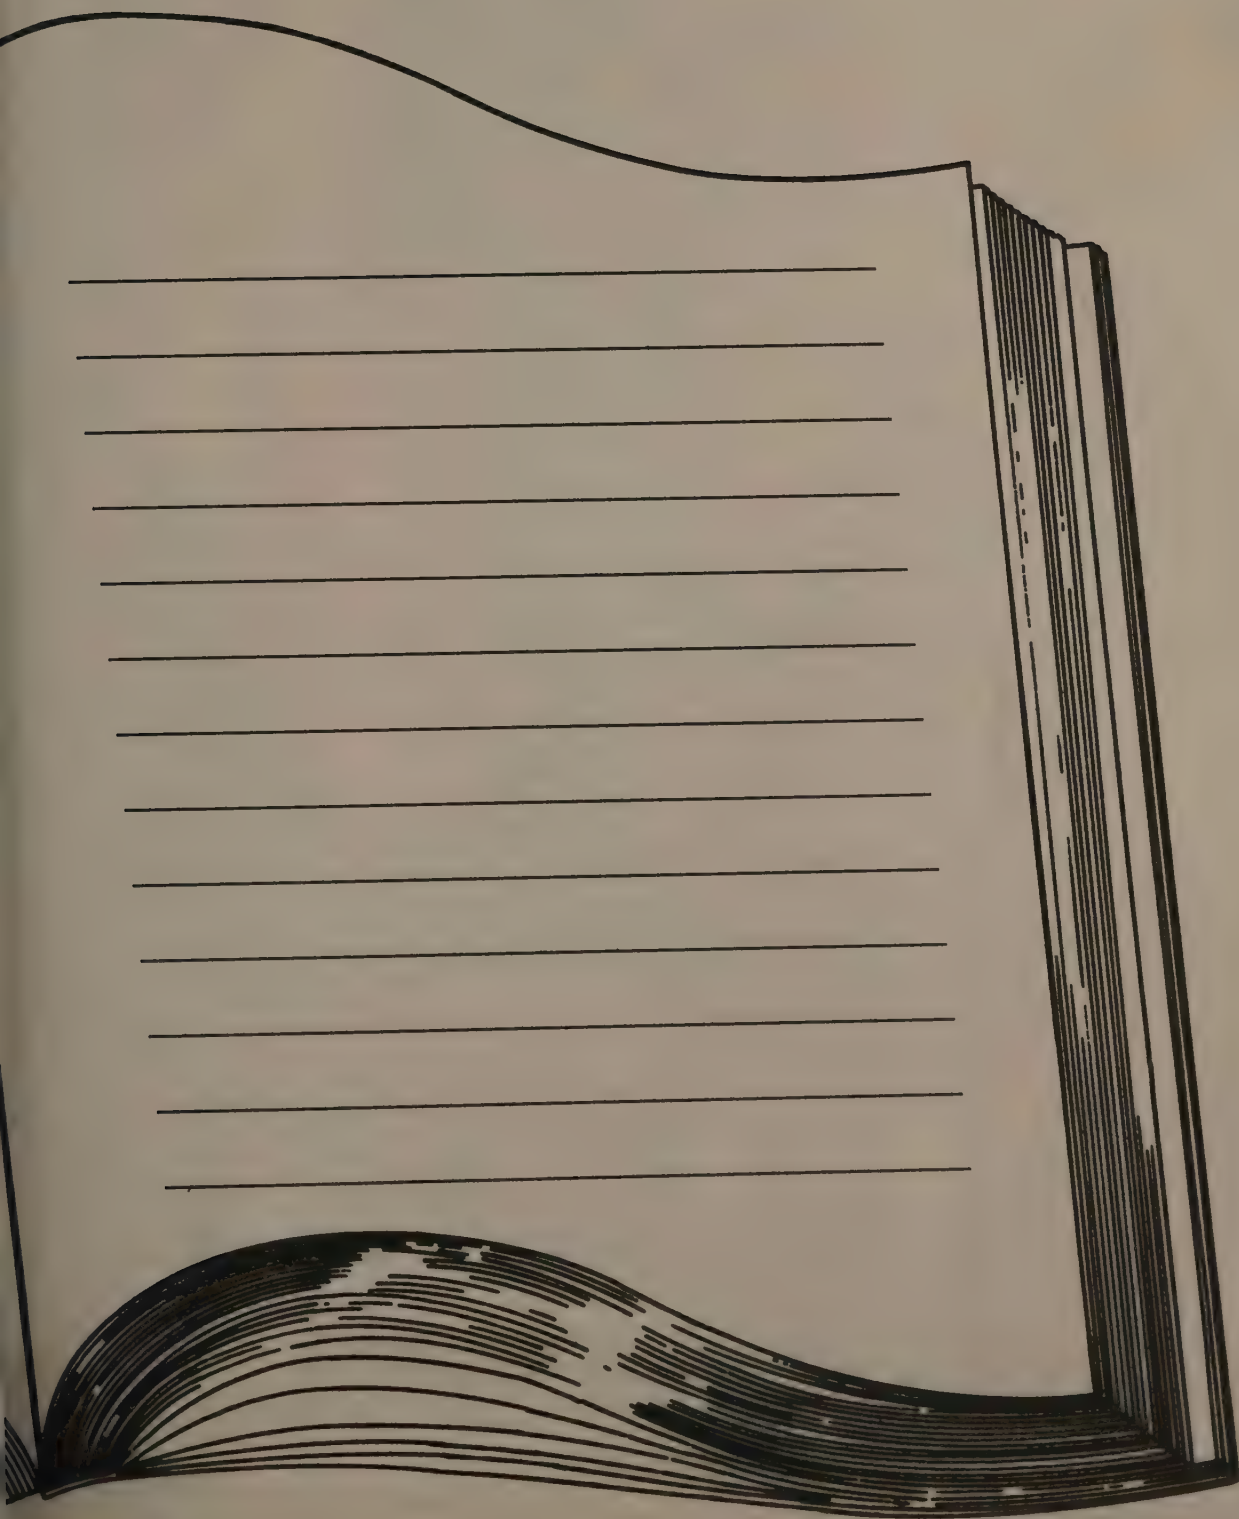

Sleepover

Every princess loves to read. What is your favorite book? Was there a princess in it? Write the title on the first line, and then on the following lines, write the rest of the story with your very own ending!
